Mysore Palace readied for Grand Dasara illumination

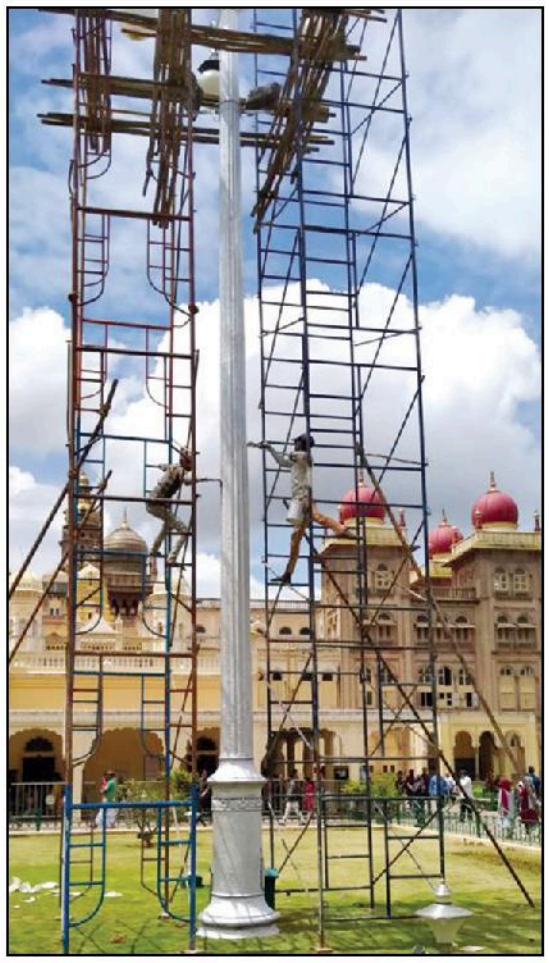
Skilled workers replacing ornamental poles, fused bulbs

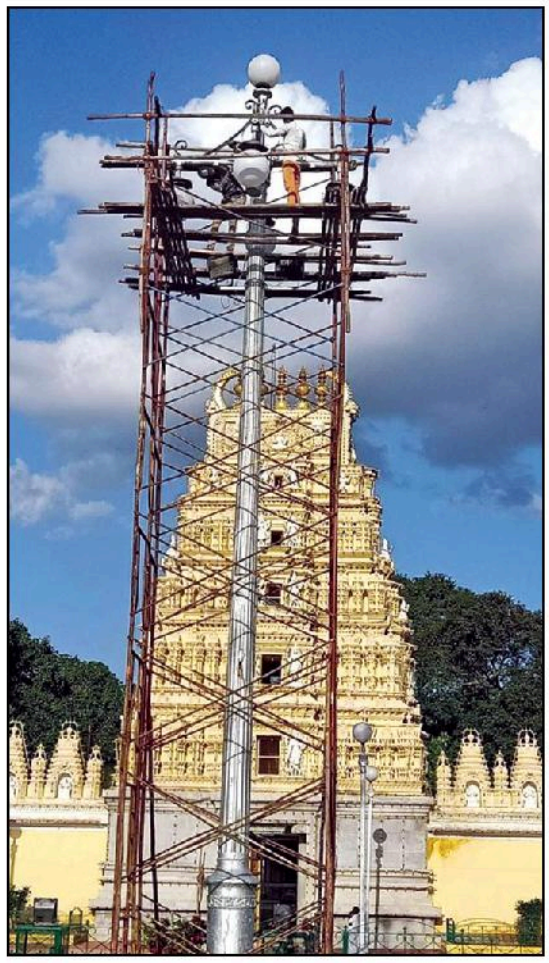
By M.T. Yogesh Kumar

Mysuru, Aug. 30- Works are underway at the Mysore Palace for Dasara illumination and this year, the Mysore Palace Board has assured that it will be a grand spectacle to go with the mood of a grand Dasara after a gap of two years.

Though the celebrations were muted in 2019 and 2020, the illumination took the cake as it was done in full glory, attracting tourists from far and wide to the City of Lights.

This year, the Chamundeshwari Electricity Supply Corporation (CESC) is planning a bigger and better illumination that promises to extend up to 125 kilometres (last year, it was 100 km). The city's core heritage zone, commercial hubs, important roads and circles and junctions will be brightly lit and even the roadside trees will rim with light giving a dazzling look.





Even the Palace Board is planning to make special efforts for illumination and along with the Mysore Palace, it has taken up the illumination of the Parks surrounding the iconic structure. The Palace, built in the Indo-Sarcenic style, comes alive when it is illuminated with about 1 lakh incandescent bulbs.

The bulbs, fixed in a synchronised pattern, are switched on in one go to spread a golden hue on the century-old structure.

FAULTLESS ILLUMINATION

Speaking to *Star of Mysore*, Palace Board Deputy Director T.S. Subramanya said that for the illumination, preparations have already started and every year, a team of officers, electrical engineers, electricians and workers ensure proper and faultless illumination. The Palace illumination has rarely witnessed any malfunction.

(See PALACE on page 6)

Entry tax waiver for tourist vehicles entering Mysuru, Mandya on cards

Officials working out single-ticket system for Palace, Zoo, Chamundi Hill, Flower Show, Exhibition

Mysuru, Aug. 30 (SBD&BCT)- Mysuru District Minister S.T. Somashekar has directed officials to extend the benefit of vehicle entry tax rebate to tourist vehicles arriving in the neighbouring Mandya district too along with Mysuru. He asked them to submit a proposal to the Government in this regard.

Holding a preliminary Dasara meeting at the Deputy Commissioner's Office last evening, the Minister's attention was drawn to the demand made by the tourism industry stakeholders to consider waiver of entry tax on tourist vehicles from other States to Mysuru during Dasara season to encourage footfall and revive tourism.

Usually, the State Government offers entry tax exemption to tourist vehicles from other neighbouring States including Kerala and Tamil Nadu on all ten days during Dasara. Until now, the benefit was given only to vehicles entering Mysuru.

Officials told the Minister that as visitors coming to Mysuru also visit the Krishna Raja Sagar (KRS) Dam, Ranganathittu Bird Sanctuary and many water points in and around Srirangapatna that are in Mandya district, the entry tax waiver must be extended to Mandya district also. Responding to the request, the Minister asked officials to submit a proposal to the Government.

The Karnataka Tourism Society has sought various measures from the State Government to boost tourist footfall since the celebrations are going to be grand this year after two years of low-key festivities.

They pointed out that tourist vehicles from neighbouring States were earlier allowed without payment of permit and entry tax during Dasara as tourism promotion and demanded that the facility must be extended this year too. The Society has urged Chief Minister Basavaraj Bommai to make an announcement that tourist vehicles can enter without payment of entry permit and taxes from Sept. 1 to Oct. 31.

SINGLE ENTRY TICKET

Like every year, this Dasara too there is a proposal to introduce a single ticket for entry to various tourist attractions in the city. As a pilot project, a single-window ticket system would be introduced during Dasara. If the response from the tourists is good then it will be in place permanently, the Minister was told.

It was found that tourists waste a lot of time at tourist places purchasing tickets. Many of them fed up with the waiting would even leave for other places. As a result, tourism was being hit.

(See ENTRY TAX on page 6)

Selected for International Conference of Youth Hostel Federation in Doha

Mysuru, Aug. 30- H. Ravikumar,

Ravikumar

Chairman, Youth Hostels Association of India (YHAI), Mysore Unit and Vice-President, YHAI, Karnataka State Unit, has been selected for 54th International Conference and General Meeting of International Youth Hostel Federation (IYHF) to be held at Doha, Qatar from Sept.1 to 5.

Several representatives from various countries of the world are participating in this conference.

Ravikumar has the distinction of being the only representative from Karnataka (out of the four members from India). He has been selected for the conference considering his services as Chairman of Mysore Unit, State Vice-President of Karnataka and National Council Member, New Delhi.

The five-day conference will be a platform to exchange adventure, art and cultures of India, said Ravikumar, who will be leaving Mysuru tomorrow (Aug. 31).

Rotary Mysore fetes Anganwadi workers

Rotary Mysore recently felicitated the Anganwadi workers for their relentless work in rural areas at a programme held at Rotary Centre. Anganwadi workers Shylaja, M.R. Jyothy, Shubha Rekha, Dhamayanti, Nagendri and Sheela are seen with Basavaraj, Deputy Director, Women and Child Welfare (chief guest), Rtn. K. Subramanya Rao, President, Rtn. N. Praveen, Secretary, Rtn. M.N. Venkatesh, Club Service Director and Rtn. Dr. B.R. Pai.

EDITOR'S BOTTOMLINE

Karnataka is one of the foremost States in India, whose State economy currently ranks third in the country. The State has risen as an exemplar of harnessing 21st century growth engines using technology to drive socio-economic growth and development. The State is well-placed to become a Rama Rajya by 2047 with world-class development models and focused investments by successive Governments. Karnataka must focus on a comprehensive social security net for its vulnerable and ageing population. A pension system for different groups — old age, widows, and others — can be consolidated and disbursed from a single programme. Ayushmann Bharat can be leveraged for complete healthcare. The State must also work with civil society to weave old-age care into the fabric of the society, giving this segment a reasonable opportunity to live with dignity. With a declining population, a rise in nuclear families and increased mobility of youngsters, care for the elderly may become a daunting issue if the State does not act fast to institute a safety net.

Karnataka in 2047 will have world-class healthcare facilities in every one of its 30 districts, with a high quality tertiary care in major urban areas. A multidisciplinary hospital with an attached medical college in each district will deliver State-of-the-art healthcare to people living in its districts. Primary healthcare facilities and wellness centres will be within reach of every citizen in each taluk. This vision of Karnataka 2047 is certainly achievable. It needs detailed strategies, focused investment, and improved governance.

Realistic gems sketched with colour pencils

Tokyo: Talented Japanese artist Aria, who specialises in pencil drawings, has been getting a lot of attention for her jewellery series, a collection of hyper-realistic gem drawings that look better than their inspiration.

One of her new works, titled "Amethyst", has gone viral on social media, with many users commenting that it actually looks better than an actual gem.

Aria tried to answer her fans, saying she spent about 10 hours creating Amethyst and that she used about 40 coloured pencils, including 10 shades of purple in order to get the visual effect just right. "After drawing grid lines (lines of equal width), I thinly drew edges of the jewels with a pencil and then drew in colours precisely," Aria said.

World's longest cucumber grown in Britain

Southampton: An amateur gardener broke a Guinness World Record by growing a massive cucumber measuring 3 feet and 8.6 inches long.

Guinness World Records said Sebastian Suski, who is from Poland and now lives in Southampton, England, earned the record for longest cucumber when his harvested vegetable was confirmed to be 2.5 inches longer than the previous record-holder.

"I'd grown big cucumbers but never quite long enough to beat the existing Guinness World Records title holder," Suski told Guinness World Records.

"Growing super-long cucumbers is a risky business. If you cut too soon, you're not going to have a record-breaker, but if you leave it too long, you get into the danger zone," he said.

HEALTH CAPSULE

Do supplements help the immune system?

Supplements can help to fill nutritional gaps. With age, vitamin supplements like vitamin C and D, calcium, and vitamin B12 tablets can be taken based on the doctor's advice.

Awareness programme on 'Energy Savings'

Mysuru, Aug. 30- Karnataka Renewable Energy Development Limited (KREDL), in association with CPC Polytechnic, Mysuru, had organised awareness programme on 'Energy Savings' under General Awareness Programmes on Energy Conservation and Energy Efficiency, sponsored by Bureau of Energy Efficiency, Ministry of Power, Government of India recently.

The objective was to create a sense of responsibility among students towards the current energy crisis and inspiring them to take action to spread awareness on renewable energy resources.

The programme aimed at increasing the knowledge of economics on a range of renewable energy technologies, their applications and economics of use.

KREDL Technical Officer D.K. Dinesh Kumar inaugurated the awareness programme. Speaking on the occasion, he said global warming can be reduced only when our dependency of energy consumption from thermal plants, green house gas and other sources which release huge amount of carbon dioxide to the atmosphere, shifts towards renewable energy.

He also stressed the need for spreading environmental awareness and encouraging the citizens to maximise the usage of energy savings LED bulbs, LED tubes and 5 star rated electrical domestic appliances.

C.J. Prakash, Principal, CPC Polytechnic, said that renewable energy like solar power would never deplete and should be harnessed efficiency to deal with power crises. Certificates and mementoes were distributed to quiz and essay competition winners. KREDL Technical Officer D.K. Dinesh Kumar was felicitated. Programme Convenor Chamaraj, Civil HoD Shivaswamy, H.M. Girish, teaching and non-teaching staff were present.

Rain havoc: Woes of Dattagalli residents

Sir,

Due to heavy rains, Dattagalli residents are facing a major problem of the Lingambudhi Lake backwater totally flooding the area and entering the houses. Kautilya School in the locality is also affected by this.

Around 25 houses have had to bear the brunt of this water-logging as some of the inmates are stuck inside and they can't move outside their house. Moreover many people have to put up with the menace of mosquitoes and snakes. Will the authorities concerned please help us?

—Manoj Lingaraju

Water-logging in park at Vijayanagar 3rd Stage

Sir,

I wish to share the difficulties faced by people of A1 Block in Vijayanagar 3rd Stage.

The park situated behind Aishwarya Petrol Bunk, Vijayanagar 3rd Stage, is flooded due to continuous rains. Hence people, especially the elderly, cannot take their morning and evening walks.

Besides bad smell has been emanating from the park due to water-logging. Even the road behind the park is completely water-logged.

The outlet for the water to drain out is blocked due to a new wall built above the storm water drain.

I request the people concerned to clear the water and make way for the outlet so there is no water-logging due to rains.

Suggestions to reconstruct 80 ft. Road in Vijayanagar 3rd Stage scientifically

Residents submit memorandum to Chamundeshwari MLA and MUDA Commissioner

Vijayanagar 3rd Stage Residents Welfare Association President Ravikumar submitting a memorandum to MUDA Commissioner G.T. Dinesh Kumar yesterday as Hon. Legal Advisor of the Association Mandetira N. Subramani and other residents look on.

Mysuru, Aug. 30- The Vijayanagar 3rd Stage Residents Welfare Association President Ravikumar has submitted a memorandum to Mysuru Urban Development Authority (MUDA) Commissioner G.T. Dinesh Kumar with regard to the widening and reconstruction works of 80 feet Road running between B and C Block in Vijayanagar 3rd Stage taken up by MUDA.

As this locality comes under Chamundeshwari Constituency, a copy of the memorandum has also be submitted to MLA G.T. Devegowda (GTD).

The memorandum said that even after over 20 years since allotment of housing plots / sites in Vijayanagar 3rd Stage, there are 41 vacant plots measuring 50 x 80 feet in C Block and 11 plots measuring 40 feet x 60 feet in B Block just adjacent to the said 80 feet road which is under reconstruction spending crores of rupees belonging to the tax-paying citizens.

Expressing concern, Association President Ravikumar said "All the owners of those 52 vacant plots would build their houses or commercial complexes one by one at different intervals. While taking up construction, they will certainly cut the road from one end to other for laying pipes (underground drainage, electrical cable and water connection) damaging the road. Such road cutting develops numerous potholes and unimaginable damage to the road perpetually."

In order to avoid road cutting after the reconstruction by the owners of 52 vacant sites all along the 80 feet road while building houses, the permanent residents of Vijayanagar 3rd Stage have given the following suggestions to MUDA:

1. MUDA itself must cut the road at suitable place in front of all the vacant sites.

2. Lay required quality earthen pipes / PVC pipes underground providing link to UGD connection, electrical cable and water pipelines before asphalting the road.

3. Subsequently, collect the cost of road cutting charges / material and labour charges from vacant site owners immediately or at the time of obtaining approval of the building plan for construction of houses with interest of 7.5% from site owners, if there is unreasonable delay of more than six months.

If these suggestions are implemented, the reconstructed road would remain intact for more than a decade thereby saving the tax-payers' money for other necessary works.

This step would also set a precedent for other MUDA layouts across the city. The residents would not only appreciate MUDA's initiative but also our city would get a facelift with undamaged roads within the city if MUDA adopts these suggestions in all other Layouts in Mysuru.

Speaking to *SOM,* Mandetira N. Subramani, Hon. Legal Advisor of the Association, who is also a retired Senior Non- Commissioned Officer of Indian Air Force and President of VeKare Ex-servicemen Trust, said that MLA G.T. Devegowda has assured Association President Ravikumar that he would impress upon the MUDA Commissioner and other authorities concerned to implement this well-thought suggestions.

Landmark Jodi Bevina Mara

The Association has also requested the residents to plant a neem sapling in place of the huge neem trees which were cut to widen the road making the landmark **Jodi Bevina Mara** as **Onti Bevina Mara** now.

Ravikumar opined that the landmark Jodi Bevina Mara in Vijayanagar 3rd Stage should be referred to in future also and hence the need to plant neem saplings on the stretch.

Service Road near Dattagalli caves in

Mysuru, Aug. 30 (MK&KS)- Following continuous rains in city, the Service Road of the Outer Ring Road near Dattagalli has caved in forming a large pit, about 20 ft. deep.

About 15 days back, a portion of the Service Road had caved in forming a 5 to 6 ft. deep pit. On Monday afternoon, more portion has caved in at the same spot.

Meanwhile, the area Corporator, speaking to *Star of Mysore* said that there is a drain passing near the caved in portion of the Service Road. "Efforts were made to cover the large ditch with mud, but due to rains it was not possible. As the Ring Road comes under the Public Works Department (PWD), I have informed the issue to the officials concerned and the caved in portion has been barricaded as a precautionary measure," he added.

Community members should not depend entirely on reservation: Former Minister

Mysuru, Aug. 30 (MTY&DM)- Stressing on the need for Nayaka community members to get educated, KPCC Working President and former Minister Satish Jarkiholi said that community members should effectively utilise education as a tool for giving rather than seeking benefits.

He was speaking after inaugurating Pratibha Puraskar and felicitation of achievers programme organised jointly by Karnataka Rajya Nayakara Yuva Sene, Ravi D. Channannavar Abhimani Balaga and Satish Jarkiholi Abhimani Balaga at Valmiki Bhavan in Vijayanagar Second Stage here on Sunday.

Emphasising that Nayaka community members should follow Dr. Ambedkar's message that getting education will help in achieving success in all fronts, Satish Jarkiholi said that the community members should try to get jobs by competing under General category in competitive exams. Pointing out that the community members should not wait for Government jobs, he called upon them for becoming entrepreneurs under which they can be employers rather than being just an employee.

Maintaining that the reservation for backward communities is gradually declining in recent years, the KPCC Working President said that the community should get prepared to face such situations. As there is fierce competition in this highly competitive world, it is important to go for capacity building to meet the challenges and demands. If not, it will become all the more difficult in the future if the community cannot overcome the challenges, he added.

CID SP Ravi D. Channannavar, who also spoke, said that developing civic sense is the need of the hour for the society. Observing that there is no point in cursing our misfortunes, he stressed on the need for mingling with the intelligentsia as it will help develop our personality and career.

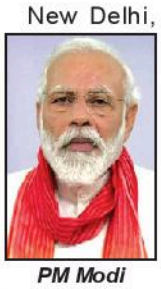
Ravi Channannavar also gave a hint on joining politics in the future when he said that he will act as per the expectations of the people of Mysuru region.

"Many of my associates said that there are many expectations from me and I should act accordingly. But before that, I have plans to set up a full-fledged competitive exams coaching centre in Mysuru in about four months. Besides, I have plans to establish such centres elsewhere across the State. This is my first priority, after which I will look to meet the aspirations of the people," he said, thus giving an indication that he may join politics in future.

As many as 104 students of Nayaka community who scored high marks in SSLC and 126 students who scored high marks in PUC were presented with Pratibha Puraskar on the occasion. Also, 20 achievers from different fields were felicitated.

Former Valmiki Development Corporation Chairman S.C. Basavaraju, Nayaka Yuva Sene State President Devaraj T. Katur, District President Shivakumar, office-bearer Harish, KSOU faculty Prof. Manjunath and others were present.

PM Modi calls to celebrate 'Poshan Maah' in September



PM Modi

New Delhi, Aug. 30- Prime Minister Narendra Modi, in his monthly radio address 'Mann ki Baat,' has urged the people to focus on malnutrition and celebrate the month of September as 'Poshan Maah'.

"Many creative and diverse efforts are being made all over the country against malnutrition. The month of September is dedicated to festivals as well as a big campaign related to nutrition. We celebrate the Poshan Maah every year from the Sept. 1 to 30," the PM said.

Poshan Abhiyaan is the Government of India's flagship programme to improve nutritional outcomes for children, adolescents, pregnant women and lactating mothers by leveraging technology, a targeted approach and convergence.

Poshan Abhiyaan is not a programme but a Jan Andolan and Bhagidaari, meaning "People's Movement." This programme incorporates inclusive participation of public representatives of local bodies, Government Departments of the State, social organisations and the public and private sector at large.

Appreciates flag hoisting at Kolar

PM Modi in his 'Mann Ki Baat' remembered Karnataka and mentioned about the 630 ft. tall and 205 ft. wide National Flag which was hoisted in Kolar as part of *Azadi Ka Amrit Mahotsav.*

Dasara 2022: Traditional puja offered to Palace cannons

Cannon firing drill from September 1st week

Mysuru, Aug. 30 (MTY&KS) - District Minister S.T. Somashekar performed traditional puja to the 11 Palace cannons in Mysore Palace premises yesterday afternoon. These cannons are used to give 21-round cannon salute before the commencement of *Jumboo Savari* on *Vijayadashami Day* (Oct. 5).

At a programme held near Aane Baagilu in Mysore Palace premises, Priest S.V. Prahallad Rao performed Ganapathi and Vijaya Ganapathi pujas and other rituals following which the District Minister along with Deputy Commissioner Dr. Bagadi Gautham and City Police Commissioner Dr. Chandragupta performed puja.

On *Vijayadasami Day,* the Golden Howdah will be mounted on Howdah Elephant Abhimanyu and the idol of Goddess Chamundeshwari will be placed inside the Golden Howdah. During the showering of flowers to the idol and the Golden Howdah, the Police Band will play the National Anthem in three phases and 21 rounds of cannon salute will be done using seven cannons.

Dry rehearsal from Wednesday: The 'dry talim' or rehearsal with unloaded cannons will commence from Wednesday in the Palace premises for which 4-5 personnel from 'Pirangi Dala' will be deployed for each cannon.

To acclimatise Dasara elephants and horses from the Mounted Police force to cannon firing sound during Dasara procession, these cannons will be fired for three days during the rehearsals performed 10 days before the grand finale.

Speaking on the occasion, the District Minister said that traditional puja has been performed and the 'Pirangi Dala' led by city Top Cop Dr. Chandragupta will undertake the firing drill. The responsibility of the 21 rounds of cannon salute has been given to the 'Pirangi Dala,' he added.

Dr. Chandragupta said that the cannon firing drill will be held from the first week of September. There is a need to acclimatise Dasara elephants to the booming sound of cannons so that they (elephants) do not panic on hearing sounds during *Jumboo Savari*.

"The same cannons will be used for firing during Torchlight Parade also for which expert staff will be deployed," the Top Cop said.

Deputy Conservator of Forests (DCF) Dr. V. Karikalan, DCPs Pradeep Gunti (Law and Order) and M.S. Geetha Prasanna (Crime and Traffic), Mysore Palace Board Deputy Director T.S. Subramanya, Range Forest Officer (RFO) Santosh Hugar, Zoo Authority of Karnataka (ZAK) Chairman M. Shivakumar and others were present.

Workshop on making environment friendly clay Ganesha idols

Mysuru, Aug. 30 - The Namma Roopanagara Residents Welfare Association (NRRWA), Roopanagara, Mysuru, recently conducted a workshop on making environment-friendly natural clay Ganesha idols for the benefit of the residents.

In all, 22 participants from all age groups, starting from 10 years to senior citizens participated in the workshop.

This 3-hour workshop was held at the premises of Deepa School and Composite College, Roopanagara.

The workshop was conducted by senior artist and sculptor Badekkila Shyam Sundar Bhat, a resident of Roopanagara.

Bhat's sculpted stone figurines and idols have been installed in various temples across Karnataka.

Calling differently abled persons to avail benefits

Mysuru, Aug. 30 (SSM) - The Women and Child Welfare Department and the Department for the Empowerment of Differently Abled and Senior Citizens have invited applications from eligible differently abled persons for availing various benefits and facilities for the year 2022-23.

The benefits include student scholarship, Pratibha Puraskar, fee reimbursement, Talking Laptop for visually impaired students studying in SSLC and other courses, child care allowance for blind women, self employment tailoring machine for the hearing impaired, distribution of prosthetic equipment etc. Those differently-abled people aged between 18 and 60 years will be provided with three-wheel vehicle and financial assistance for their marriage.

The prescribed application forms can be obtained from the Department website — *https://dwdsc.karnataka.gov.in/english* or from the Office of the District Disabled Welfare Officer located on Pulikeshi Road in Tilak Nagar. The filled-in forms must be returned before Nov. 15. For details, contact Ph: 0821-2490333.

Orientation at GSSS College on Sept.1

Mysuru, Aug. 30- GSSS Simha Subbalakshmi First Grade College (SSFGC), Metagalli, Mysuru, is holding an Orientation Programme for the batch of 2022-23 on Sept.1 at 9.30 am in the auditorium of the College.

The chief guest for the event will be the Registrar of the University of Mysore, Prof. R Shivappa.

The guest of honour will be K. Gnanashekhar, Entrepreneur, Director of Keylynk. The Management Committee members will be present, according to a press release from Dr. T.S. Rakesh, Principal, GSSS SSFGC.

Obituary

Kallumadanda C. Jayaram

Mysuru, Aug. 30 - Kallumadanda C. Jayaram (75), a resident of #1751, Hampi Circle in Vijayanagar 2nd Stage, passed away in the wee hours of yesterday at his residence.

A native of Bengoor in Kodagu, he leaves behind his wife, one daughter and a host of relatives and friends. Last rites were performed at Chirashanthidhama in Gokulam yesterday afternoon.

Walter Pinto

Walter Pinto (77), retired BEML employee and a resident of Sharadadevinagar, passed away in the early hours of Sunday following brief illness.

He leaves behind daughter Smitha Joyce, Associate Professor at Maharaja Institute of Technology, Mysuru, son-in-law Lt. Col. Anantha Keshava, grandson and a host of relatives and friends.

Funeral was held at the Christian Cemetery in Belawadi yesterday morning.

Kamalakshamma

Kamalakshamma (74), wife of late Kalegowda and a resident of University Layout passed away on Sunday at her residence following brief illness.

She leaves behind son S.K. Manjunath, an advocate, two daughters, sons-in-law, grandchildren and a host of relatives and friends.

Last rites were performed on Sunday evening in city.

Narasimha Mayya

Narasimha Mayya (82), a resident of Vijayanagar 2nd Stage, passed away on Aug. 24 at a private hospital in city following brief illness.

He leaves behind his wife, two daughters, sons-in-law, grandchildren and a host of relatives and friends.

While his eyes were donated to JSS Hospital, his body was donated to Government Ayurveda Hospital, according to family sources.

M. Shivappa

Chamarajanagar : M. Shivappa (86), a senior High Court Advocate and a resident of Tammadahalli village in the taluk, passed away on Monday following a heart attack at a private hospital in Bengaluru.

He leaves behind his wife, two sons and a host of relatives and friends.

Shivappa, who had served as a High Court Advocate for 50 years, was working as a legal advisor for Siddaganga Mutt in Tumakuru.

Last rites were performed today at the family's farm land in Tammadahalli village, according to family sources.

Mysore Palace readied for Grand Dasara illumination

(Continued from page 1)

"We have taken up the task of illuminating all the parks surrounding the Palace this time and there are over 160 ornamental poles inside the parks. Several of them have been worn out and are being repaired and painted in silver to retain their originality. Over 30 bulbs have fused and they will be replaced with ornamental lamps," Subramanya said.

"There are over 25 poles that are 40-ft in height and on top of that there are five lightbulbs. All the fused bulbs will be replaced and scaffoldings have been erected to reach that height. This apart, inside the Palace, there are many exquisite chandeliers in the main Durbar Hall, Kalyana Mantap and Private Durbar Hall. Some of the bulbs have fused and power connections have been snapped. These need to be fixed, cleaned and the chandeliers will have to be restored to their original shape," Subramanya added.

Workers engaged in installation, replacement and painting of ornamental lamp posts in Palace Parks.

25,000 fused bulbs

The main Palace and all its gates (external illumination circuits) are connected to one lakh screw-type incandescent transparent bulbs. "From the Jayamarthanda Gate to the red light dome 147-ft high atop the Palace there are over 1 lakh incandescent bulbs on lamps that are fixed on teak wood. Over 25,000 bulbs have fused and we need to replace all of them. The challenge here is not the cost factor but the daunting task is to safely reach that height and replace the bulbs," he said.

With the help of cranes and scaffoldings, skilled workers will replace the bulbs of all the gates that have been damaged, be it the Balarama Jayarama Gate, Varaha Gate, Jayamarthanda Gate, Bhramapuri Gate or the Karikallu Thotti Gate, he said.

Advance preparation and synchronisation

Teams prepare for the illumination task well in advance and we ensure synchronisation and continuous electricity flow in the circuit. There are four power sub-stations — different 11kV feeders connected to Mysore Palace Board Power Station — for power distribution and the red light atop the Palace in the central dome is used to synchronise the timing of lights.

Fifteen minutes before illumination we switch on the red light and then switch it off after 13 minutes. This is an alert to all station workers. Two minutes later when the red light is switched on again, the Palace is illuminated, Subramanya said. In the earlier years, the red light was an indicator of the presence of Maharaja inside the Palace.

Srirangapatna Dasara from Sept. 28 to Oct. 2: Minister

Mandya Aug. 30 (TRR)- Mandya District In-charge Minister K. Gopalaiah has said that the Srirangapatna Dasara celebrations will be held for 5 days from Sept. 28 to Oct. 2. The Minister has also asked the District Administration to make all necessary preparations in this connection.

Gopalaiah was speaking at a preliminary meeting held at the Zilla Panchayat's Cauvery Auditorium here yesterday.

"Clean the Bannimantap, ponds, lakes and all historical places and provide basic amenities like drinking water, toilets and other needed facilities in a systematic manner," the Minister instructed the officials.

"Let the programmes arranged during Dasara have variety. People should have both information and entertainment. Give priority to cleanliness and arrange for 3-5 elephants on the day of inauguration, Police Band and new tableaux," he added.

"Last year, with grants of Rs. 50 lakh from Mysuru Deputy Commissioner's Office, Rs. 25 lakh from the Tourism Department, Rs. 20 lakh from Kannada and Culture Department and funds from various organisations, totalling Rs. 1.5 crore, Dasara was celebrated in a grand manner for 3 days. This year, the Mysuru DC Office has released a grant of Rs.1 crore and officials should obtain grants and funds from other Departments and organisations and prepare to celebrate Dasara events in a bigger way," Gopalaiah said.

MLA Ravindra Srikantaiah said that former Prime Minister H.D. Deve Gowda or CFTRI Director be invited to inaugurate Dasara festivities. "The payment to contractors for executing works is getting delayed and artistes who performed during the festivities are also not getting their remuneration quickly," he said and asked the authorities concerned to ensure that artistes get payments immediately without any delay.

Mandya DC S. Aswathi asked all concerned Departments to prepare a list of works to be carried out by their departments during Dasara and submit them.

Holding a meeting with officials after her meeting with the District In-charge Minister, DC Aswathi said that Raitha Dasara should have milking competition, cattle competition and other competitions.

"In addition, Agriculture, Horticulture, Fisheries and Sericulture Departments must organise exhibitions and hold handicrafts training to farmers. The exhibition should introduce latest innovations about agricultural produce," she added.

"Department of Youth Empowerment and Sports should organise chess, wrestling, volleyball, kabbadi, water sports, boating and other sporting competitions separately for men and women. In Children Dasara, seminars, cultural competitions should be held. *Rangoli,* dance and other competitions should be arranged in Mahila Dasara. Kannada and Culture Department should organise *puja kunitha* competitions," the DC added.

Entry tax waiver for tourist vehicles

(Continued from page 1)

Officials are working out a plan to have a single-entry ticket for Palace, Zoo, Karanji Lake, Chamundi Hill, Dasara Exhibition and the Flower Show. Deputy Commissioner Dr. Bagadi Gautham, the Dasara Special Officer, said that the single ticket system is still in its experimental stage and care will be taken not to cause any revenue loss to any Department.

Other topics discussed at the meeting were 'Kaigarike Dasara' (industrial Dasara) and Arogya Mela (health camp) during the 10-day festival. A Dasara 'Theme Song' is being worked out and many songs have been presented by local music troupes. A final decision will be taken on the chosen song after listening to more such songs performed by local troupes.

Additional Deputy Commissioner Dr. B.S. Manjunathaswamy, City Police Commissioner Dr. Chandragupta, MCC Commissioner G. Lakshmikantha Reddy, Zilla Panchayat CEO B.R. Poornima, Deputy Conservator of Forests Dr. V. Karikalan and other officers were present.

Sewage Treatment Plant at Kesare

Vacant land faces encroachment threat

Mysuru, Aug. 30- With a large space of land meant for Sewage Treatment Plant (STP) at Kesare remaining vacant and unused for years, the locals are apprehensive that land sharks may encroach upon it, which is valued at crores of rupees.

About 65 to 70 acres of land was acquired by the Government for setting up of STP at Kesare, following which the STP was built on a 25-30 acre plot of the land during 1998-2002, while the unused land was secured with fencing. While a portion of the unused land was utilised for construction of staff quarters, the rest of the space was fenced. But still, some land sharks, eyeing the highly valuable land, are out to grab it by encroachment, according to some locals, who allege that the MCC is doing little to conserve the land despite several representations made in this regard.

The Karnataka Urban Water Supply and Sewerage Board (KUWS&DB) had acquired about 5-acres land in 2002 for the setting up of STP pumping station, following which it was handed over to MCC. After the pumping station was set up, the vacant space was secured with fencing.

But recently, some people are carrying out land cleaning activities, which has given rise to speculations that the land may be encroached upon. After the cleaning and levelling activities started, the locals complained to the MCC about the activities going on there, which however has fallen on deaf ears.

This apart, several private sheds have sprung up at the space between the Ring Road and STP. The locals contend that despite complaints,the MCC authorities have not bothered to get the unauthorised sheds evacuated. The locals claim that the unauthorised sheds sprang up before the authorities could repair the fencing, that got damaged during the execution of Ring Road works.

According to the locals, several attempts were being made for the past several days for encroaching 2-3 acres of land near the Wet-well Unit of the STP. But the MCC authorities have remained silent and this may be due to political pressure. Since few days, the cleaning and levelling works of the land is going on, which has given rise to suspicion among the local population. But it has been discovered that some private parties have taken up these activities with an intention of grabbing valuable Government land. The MCC authorities too have remained silent over the issue.

Asking the MCC officials to give a clarification on whether the said vacant land indeed belonged to private parties, they urged the MCC authorities to immediately visit the spot and halt the ongoing activities there, before it is too late.

Man hacks wife to death

Mysuru, Aug. 30- A man, suspecting his wife's character, has allegedly hacked her to death in Bannimantap 'C' Layout on Aug. 27 morning.

While the deceased has been identified as Radha (29), the accused husband is 35-year-old Rajesh, a native of Maddur village in Yalandur taluk of Chamarajanagar district. They were residing in the car shed of the house belonging to H.B. Mamata in Bannimantap 'C' Layout. Radha was working as a household help for Mamata.

Suspecting his wife's character, Rajesh used to frequently pick up fights with his wife. It is learnt that, last year, Rajesh had brutally assaulted Radha and Mamata had got Radha treated for the injuries.

Rajesh, who had gone to his native place after a fight with his wife, returned on Aug. 25. On Aug. 27 at about 6.30 am, Radha's son came running to Mamata's house and informed her that his father was beating his mother mercilessly. When Mamata ran to the car shed, Rajesh came out of the shed with a machete in his hand and when Mamata, along with her neighbours, entered the car shed, they saw Radha lying in a pool of blood and immediately rushed her to a hospital, but Radha had died by then.

NR Police, who have registered a case, are investigating.

Gold ornaments worth Rs. 5.52 lakh lifted in KSRTC bus

Mysuru, Aug. 30- A woman, who was travelling in a KSRTC bus from Chamarajanagar to Mysuru, has lost 138 grams gold jewellery which she had kept in her vanity bag.

The woman, who lost her gold is 58-year-old G. Bharati, a resident of Brahmarambha Layout in Chamarajanagar.

On Aug. 20, Bharati boarded the KSRTC bus at Chamarajanagar and alighted in Mysuru. When she checked her vanity bag, she found the bag containing the gold ornaments worth Rs. 5.52 lakh missing.

In her complaint, Bharati has stated that while travelling in the bus, a woman aged between 40 and 45 years was standing close to her and was frequently diverting her attention. Suspecting that the same woman may have lifted the jewels bag, Bharati, on Aug. 26, has lodged a complaint.

KR Police, who have registered a case, are investigating.

House burgled

Gold ornaments worth Rs. 7 lakh has been burgled in broad daylight from a house in Naidu Nagar on Aug. 27.

The house belongs to 48-year-old L. Shivamma, a stenographer at the Irrigation Department. On Aug. 27 morning, Shivamma left for work and her daughter also left for her School. When her daughter returned at about 1.45 pm, she found the lock of the door broken and the burglars had decamped with 178 grams gold ornaments and Rs. 1,000 cash kept in the almirah. NR Police have registered a case.

Online fraud: Pensioner, lecturer cheated of Rs. 5.58 lakh

Mysuru, Aug. 30- In separate cases, a pensioner and a lecturer have lost a total of Rs. 5,58,506 to online fraudsters.

In the first case, retired RTO officer 70-year-old Jaleel Ahmed, a resident of K.R. Nagar, has been cheated of Rs. 4,14,957. Ahmed received a call on his mobile phone and the caller on the other end, who told that he was calling from the SBI Branch, told Ahmed that he needs to update the Know Your Customer (KYC) details and sent him a website link. When Ahmed clicked on the link and updated the KYC, a sum of Rs. 4,14,957 was immediately transferred. A case has been registered at Dist. CEN Police Station.

In the second case, 35-year-old H.S. Srikanth, a lecturer and a resident of Hootagalli, who received a link to apply for a part time job, lost Rs. 1,43,549 after he clicked the link.

A case has been registered at City's CEN Police Station.

SC closes all Gujarat riots, Babri demolition pleas

New Delhi, Aug. 30 (Agencies)- In what will put a complete closure to the legal battles regarding the Babri Masjid demolition, the Supreme Court (SC) today dropped the contempt proceedings against Uma Bharti, M.M. Joshi, Sadhvi Ritambara, Vinay Katiyar and others and ordered the closure of all the proceedings arising out of the demolition of the Babri Mosque in 1992.

The Apex Court also closed all proceedings initiated in the wake of the 2002 post-Godhra communal riots in Gujarat.

Citing that a larger Bench of the Supreme Court has already delivered a judgement on the Ram Janmbhoomi-Babri Masjid land dispute in Ayodhya, the SC Bench said that nothing survives in the matter now.

"There is a verdict delivered by a larger Bench. Nothing survives in this matter now. You can't keep flogging a dead horse. We are only making an attempt to take up old matters. Some may survive some may go. A larger issue has already been decided by a Five-Judge Bench. Petitioner has died, contempt petition against the respondents closed," Justice S.K. Kaul said.

In separate matters, the SC also closed all proceedings arising out of the 2002 riots in Gujarat. A batch of pleas was pending before the Supreme Court, commenting on which the Apex Court said that the cases have now become infructuous with the passage of time.

"Trials in eight out of nine cases are over and final arguments are going on in one case in the trial court, Naroda Gaon, Gujarat," the SC Bench said.

Meanwhile, the Supreme Court will hear the bail plea of activist Teesta Setalvad who was arrested for allegedly fabricating evidence to frame innocent people in the 2002 Gujarat riots cases.

Solicitor General Tushar Mehta, who is appearing for Gujarat in the case, on Thursday told a Bench of Chief Justice U.U. Lalit that a response to Setalvad's petition was ready but it required some corrections. On Aug. 22, the Top Court sought a response from the Gujarat Government on Setalvad's bail plea who was arrested in June in the case.

Conman cheats woman of Rs. 1.23 lakh

Mysuru, Aug. 30- A conman has cheated one Vijayalakshmi, a resident of Janatanagar in city, to the tune of Rs. 1.23 lakh on the pretext of getting her a loan under Pradhan Mantri Jan Dhan Yojana.

A person who called Vijayalakshmi, told her that he would get her a loan under Pradhan Mantri Jan Dhan Yojana, obtained her documents on his WhatsApp and also got Rs. 1,23,178 transferred to his bank account as various charges and has thus cheated her.

A case has been registered at city's CEN Police Station.

Lion N. Krishnegowda inducted new members while Zone Chairman Lion Somaprabhu felicitated the new team. Lion N. Subramanya was the Installation Committee Chairman.

Various service activities were held on the occasion. Members directory was released by the chief guest and meritorious students of SSLC and PUC were felicitated. Lion Latha Hemachandra rendered invocation. Lion Revathi and Lion Rajani compered.

Number of Judges in the country is not in proportion to the population: High Court Judge

Mysuru, Aug. 30 (MTY&TRR)- Karnataka High Court Judge Justice K. Somashekar has opined that the number of Judges in the country is not in proportion to the population but still the Judges, despite limitations, are discharging their responsibility of giving justice.

He was speaking after inaugurating a workshop 'Pra-Shikshana Varga- 2022-23' organised by Adhivakta Parishat (Advocates Organisation) for its members at Vijnana Bhavan in Manasagangothri campus on Saturday.

"It is estimated that the present population of the country is about 135 crore though it has touched 140 crore. Though the population of Karnataka is stated to be about 6.5 crore, it has actually reached 7 crore.

Even the population of Bengaluru has touched 1.5 crore though 1.3 crore is the estimated figure. But unfortunately, the number of Judges in the country is not in proportion to the population. We have one Judge for some million cases and the number of cases awaiting judgment is innumerable," said the High Court Judge.

Exhorting Advocates and Judges to think about what they can contribute to the society, the Judge urged advocates to be fully aware of Civil Procedure Code and the judgments that have been delivered by various Courts. "The 12th century 'Anubhava Mantapa' is reborn as the present Parliament. During the time of Basavanna, intellectuals and well-wishers used to discuss and work keeping in mind the best interests of the society. Similarly, Adhivakta Parishat is also working," observed the Judge.

Stating that Adhivakta is working towards ensuring a smooth relationship between the Bench (Court) and Bar (Advocates' Association), Justice Somashekar felt that it propagates the wishes of our Constitution which calls for considering the issues of social, economic and political equality at the time of delivering justice.

Good heart and smartness are needed while discharging our duties. Advocates should be aware about the primary and secondary documents to submit and should work towards getting justice for the common man. For this, continuous study is essential," he continued.

"If Bramha-Vishnu-Maheshwara are united, *Pralaya* will happen. Similarly, at present the Judiciary, Legislature and Executive can create *Pralaya* if they work in cohesion. That's why, there is a District Judge, Deputy Commissioner and Superintendent of Police at the district level and Tahsildar, Circle Inspector and Magistrate at the taluk level," he said.

Describing Brain, Heart, Lungs, Kidney and Liver as 5 most vital organs of the body which can determine the life of a person, he said though Kidney and Heart transplants are being done, there is always a possibility of one person dying to save the other.

"In the same manner, when some cases are dismissed, it is possible to file a review petition. Advocates should know about the relevant rules while filing a review petition and collect information about them," concluded High Court Judge Somashekar.

Senior Advocates P.D. Medappa, A.S. Nataraju, O. Shyam Bhat, K.R. Shivashankar, C. Appajigowda and V. Mythili were felicitated on the occasion. Mysuru unit Adhivakta Parishat President V. Sharada presided.

Former Solicitor General of India C. Shashikant, Chamarajanagar Adhivakta Parishat unit President K. Yogesh, General Secretary M.S. Phanichetan and others were present on the occasion.

BJP to hold mega rallies in September and October

Bengaluru, Aug. 30 (KMS& DM)- With the Assembly elections just a few months away, the ruling BJP has planned mega 'Janotsava' rallies at 6 prominent places across the State in the months of September and October.

The decision to hold mega rallies comes after former Chief Minister and Lingayat strongman B.S. Yediyurappa's visit to New Delhi a couple of days ago, during which he met the party's top brass. The party has entrusted the responsibility of holding the rallies to former CM BSY, State BJP in-charge Arun Singh and State BJP President Nalin Kumar Kateel. The leaving out of CM Basavaraj Bommai from the responsibility has raised several eye-brows in the State BJP unit.

The BJP plans to hold 'Janotsava' rally at Doddaballapur on Sept. 8. This mega rally, which was first scheduled to take place on July 28 marking the first anniversary of the Bommai Government, had to be abruptly postponed at the last minute as tension erupted across the State following the murder of BJP Yuva Morcha activist Praveen Nettaru's murder in Sullila taluk of Dakhsina Kannada district just two days before the rally.

The State BJP has planned to hold the mega rallies after PM Modi's visit to Mangaluru on Sept. 2. While one of them is scheduled to take place at Doddaballapur in Bengaluru Rural district, the place of five other rallies is yet to be decided, according to sources, which also said Kateel, Arun Singh and BSY will tour the State along with different teams in September and October in order to ascertain the party's strength.

Congress to launch 'Janajagruti' campaign

Bengaluru, Aug. 30 (KMS& DM)- In what seems to be a counter for the ruling BJP's 'Janotsava' rallies, the opposition Congress has planned to take out 'Janajagruti' campaigns across the State in order to expose the BJP Government's corruption, maladministration and administrative failures.

Announcing this at a press meet here on Monday, KPCC President D.K. Shivakumar termed the BJP dispensation in the State as a most corrupt one.

Accusing the BJP of spreading lies and falsehood, Shivakumar said that the Janajagruti campaign is aimed at educating and sensitising the people on corruption and misdeeds of the BJP Government. During the campaign, the Congress will also highlight the welfare programmes launched by the previous Congress Government headed by Siddharamaiah, he said.

Continuing, Shivakumar said that the party has also prepared a questionnaire to the ruling BJP, Shivakumar alleged that the BJP had miserably failed in keeping its promises made to the people. Asserting that the Congress had met 158 out of the 165 assurances that it had given during the 2013 Assembly polls, he wondered what is there for the BJP to boast of. Charging the BJP of doing little for the betterment of lives of the people, he lashed out at the BJP Government saying that it was mired in corruption and had failed on all fronts.

Opposition leader and former CM Siddharamaiah, KPCC Campaign Committee President M.B. Patil and State Congress in-Charge Randeep Surjewala, who too addressed the press meet, came down heavily on the BJP Governments at the Centre and the State. They alleged that the BJP had taken corruption levels to a new high. They appealed the people to throw out BJP in next year's Assembly polls and bring the Congress back to power.

Mandya's MySugar factory to commence sugarcane crushing from Aug. 31

CM Bommai to officially launch cane crushing before Sept. 10

Mandya, Aug. 30- Sugarcane crushing at MySugar factory will be symbolically launched on Aug. 31 and Chief Minister Basavaraj Bommai will officially launch the same before Sept. 10, said Minister for Sugar and Textiles Shankar Patil Munenakoppa.

The Minister, who visited the sugar factory on Sunday, inspected the working condition of various machineries and said that officials have been instructed to supply sugarcane by Aug. 30 and the crushing process will begin from Aug. 31.

Pointing out that the technical and financial recommendations made by the Expert Committee has identified necessary steps to prevent wastage of money, the Minister said that the recommendations will be adopted to ensure that MySugar runs profitably without going into loss again.

"Importance will be given for the production of ethanol by establishing an ethanol unit in the factory. Sugarcane will be procured from the farmers as per the Fair and Remunerative Price (FRP) fixed by the Centre.

The State Government will ensure that the sugar factory functions properly and knowledgeable officials will be posted to run the factory under Government control to make sure that there will be no room for any illegalities and to maintain transparency in the functioning of the factory," he said.

MySugar General Manager B.C. Shivananda Murthy, Managing Director Patil Appasaheb, former MLA K.T. Srikantegowda and others were present.

Ashraya Housing Scheme

Calling applicants

Mysuru, Aug. 30- Mysuru City Corporation (MCC), while scrutinising the details of those who had submitted applications for sites under Ashraya Housing Scheme in Chamaraja constituency during the year 2000 to 2004 by paying advance amount of Rs. 5,100 and Rs.10,100, found that a total of 1,258 are now not residing at the address given in the application. A list of these applicants have been displayed at the Shreya office notice board.

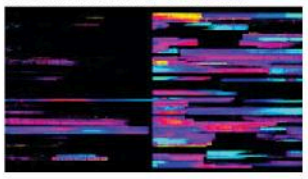
If anybody has objection with the respect to the list announced, they should appear in person at the Chamaraja Ashraya Branch in front of Cheluvamba Park Vontikoppal, Mysuru, with original application receipt, photocopy of intimation letter to pay advance amount, advance amount paid challan copy, Aadhaar card of all family members, Voter ID and contact number.

Last date to submit objections is Sept. 12, says a press release issued by the MCC.

WORD OF THE DAY

Glitch

Pronunciation: GLITCH.



Meaning: A glitch is a usually minor malfunction or a problem that causes a temporary setback.

Origin: There's a glitch in the etymology of glitch—it may come from the Yiddish glitsh, meaning "slippery place," but that's not certain. Print use of glitch referring to a brief unexpected surge of electrical current dates to the mid-20th century. Astronaut John Glenn, in his 1962 book Into Orbit, felt the need to explain the term to his readers: "Literally, a glitch is a spike or change in voltage in an electrical circuit which takes place when the circuit suddenly has a new load put on it." Today, the word can be used of any minor malfunction or snag. If you're a gamer you might even take advantage of a glitch that causes something unexpected, and sometimes beneficial, to happen in the game.

Example: "The weekend's exercise, which NASA calls a wet dress rehearsal, is the last major test before the rocket is launched on its first uncrewed test flight, which could occur as soon as this summer. By simulating a countdown without the excitement of engines igniting and a rocket rising to space, NASA hoped to work out glitches with equipment and procedures." — Kenneth Chang

THE ODD WORD

Gabelle

A salt tax.

PHRASE OF THE DAY

Go out on a limb

Meaning: You use the expression 'Go out on a Limb' to indicate that you are supporting someone or something despite putting yourself at a potential disadvantage.

Origin: The term 'go out on a limb' originates from the practice of climbing trees, which people have been doing since the beginning of time. The expression was first used in a figurative sense in America during the late 19th century. An early example from an October, 1895 issue of the Steubenville Daily Herald reads: "We can carry the legislature like hanging out a washing. The heft of the fight will be in Hamilton county. If we get the 14 votes of Hamilton, we've got 'em out on a limb. All we've got to do then is shake it or saw it off."

Example: "I'm going to go out on a limb and approve his request for additional research funding."

QUOTE BOX

Don't be afraid to go out on a limb. It's where all the fruit is.

—Shirley MacLaine

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

SBXBV YIF ISPRUOSE EVBIR

IQUOBXBZ YORUWNR ZISEBV.

TODAY'S CLUE: E EQUALS G

Yesterday's Cryptoquip: The first step towards amendment is the recognition of error.
